

Wet Spell Due to Follow Ratification of German Treaty-- President Will Not Wait Action On Austrian Pact, He Ssys

KNIFE PLAY AT NELSON: ONE IN JAIL, ONE HURT

Round House Foreman Captured Assailant This Morn.

As a result of a cutting fray at Nelson, Joe Favola, Mexican track laborer employed by the Northwestern there, is in the county jail charged with assault with a deadly weapon to inflict great bodily injury, and Milton Ortiz, another Mexican track laborer, was brought to Dixon this morning to the office of Dr. E. B. Owens where it was found that the fingers of his right hand had been slashed to the bone in a struggle to save his life, when attacked by Favola last night shortly after 6 o'clock.

Sheriff Schoenholz received a call this morning from the Nelson yards, the informant stating that a Mexican was cutting up his fellow countrymen. The sheriff and two deputies hurried to the scene and upon arriving at the Nelson round house, found Favola and Ortiz in the office in charge of E. L. Murray, round house foreman, who turned both over to the county authorities. Ortiz was hurried to the depot at Nelson and brought to the county physician at Dixon, where his wounds were dressed and Favola was brought to Dixon in an automobile and lodged in the county jail.

Claimed Money Was Stolen

Round house Foreman E. L. Murray this morning made a trip around the bunk houses in the yards and discovered Ortiz lying in his bunk, his right hand wrapped in dirty cloths. Upon further inquiry the foreman was told that last evening shortly after 6 o'clock, Favola came into the room occupied by Ortiz and Frank Minotti, the latter not being present at the time. Favola found Ortiz asleep and drawing a big butcher knife with a razor like edge, pressed it against his victim's left breast, at the same time awakening him and demanding \$100, which he claimed Ortiz had stolen from him.

Ortiz upon awakening, tried to tell his assailant that he knew nothing of the money, whereupon Favola threatened to kill him. Ortiz grabbed the knife as he grappled with Favola, who is several years older, and in so doing slashed the flesh on the fingers of his right hand to the bone. Favola left and returned to his bunk house. He was dressed and ready to leave Nelson early this morning when the round house foreman appeared in the room and armed with a borrowed revolver, marched the Mexican to the round house office and then called the sheriff.

Frank Minotti, a Greek track laborer and room mate of Ortiz, had remained with him and helped him to dress the wound. Both men were afraid to leave the bunk house.

Ortiz was lying in ambush waiting for his arrival. The knife which Favola had used in his assault was found lying on the floor and turned over to Deputy Sheriff Phillips who, while making a search of the laborers' quarters at Nelson, in putting the knife into his pocket, cut a deep gash in the fingers of his right hand.

Ortiz is a young man and was a patient in the Dixon hospital for several days this summer, suffering from typhoid fever. He was still weak from the fever and had laid down to rest in his bunk after his day's work when his fellow workman and countryman sneaked into the room and attempted to take his life.

Police Guard New York Waterfront Against a Recurrence of Rioting

New York, Oct. 28.—Extra police guards patrolled New York's waterfront today to guard against a possible recurrence of the serious rioting yesterday when two strikers were shot, scores injured and many arrested in a clash between rival factions of the striking longshoremen.

As the strike entered its twenty-first day officials of the United States Shipping Board appeared to be more optimistic over the situation than they had been for many days. Of the board's 200 ships tied up in the harbor, 25 were worked yesterday—an increase of 15 over Sunday.

The breach between the longshoremen's factions apparently is widening and the insurgents declare they will "fight to the finish." T. V. O'Connor, president of the International Longshoremen's Association, made his early prediction that the majority of the men soon would return to work.

Farmers Consider an Alliance with Labor

Washington, Oct. 28.—With more than 1,500 delegates in attendance, the National Farmers Congress in session here planned to get down to business today. While a number of matters of interest to the farmers of the nation are to come before the congress the one outstanding question to be settled is that of an alliance with the American Federation of Labor.

MANY TALENTED DIXON PEOPLE TO APPEAR IN SHOW

Moose City Follies to Be Attraction for Two Evenings.

Tomorrow evening at 8:15 o'clock sharp the curtain will rise on the first of the two performances of the Moose City Follies, the annual show under the auspices of Dixon L. O. O. Moose, and Director Gerber, in announcing the full program and cast today, made the statement that the rehearsals have been so encouraging that he expects the best show he has directed this season—and Mr. Gerber directs these shows throughout the country the year round. The program in its entirety is:

Part I.
Hotel Scene.
Manager—Frank S. Vadinski.
Clerk—Lee R. Boos.
Bell Hops—Marcelle Kent, Goldie Huggins, Anna Holm, Vivian McIntyre.
Porter—Floyd L. Domer.
Grouch—R. A. Wilhelm.
Guests—W. G. Kent, Carl Rinehart, R. C. Mackley, Frank Ruggles, E. H. Beckman, James Schrock, Sterling Schrock, and M. J. Gannon—the purchaser of the show.

Part II.
Interlocutor—W. G. Kent.
Comedians—Dan Wolfe, L. J. Kelly, Edwin Slothower, Richard Pierce, Fred Martinson, Floyd Domer, Ed Slothower, Milton Vaughn, John Bott Joseph Ryan.
Ballad Singers—James Schrock, Sterling Schrock, A. M. Rawls, Charles Fane.
Chorus—Lee Boos, R. C. Mackley, C. R. Wilson, R. A. Wilhelm, Floyd Richard, Orville Pfundstein, Robert Brainerd, William Lohr, L. S. Vadinski, Frank Ruggles, Otto Hucker, John (Continued on Page Six)

GOOD START IN DRIVE TO RAISE JEW RELIEF FUND

Lee county started out exceptionally yesterday in its first effort to raise its quota for the American Jewish Relief campaign, and committee reports from the various townships indicate that good results will be obtained.

In Dixon today committees canvassed the factories and the business sections, and at noon encouraging reports were received at county headquarters.

Three townships in the county are already over the top and others are said to be in line for accomplishment of their quotas soon. It is announced that individuals who desire to make contributions to the fund may leave their subscriptions with A. P. Armington, cashier of the Dixon National Bank.

At sun-up yesterday morning hundreds of workers who have enlisted for a week's service in the campaign for funds for the American Jewish Relief committee set about the intensive work of raising \$1,500,000 which means the saving of hundreds of thousands of lives in the war-swept countries of eastern Europe.

The response for solicitors for this cause has been unusual, and all over the state Jews and Gentiles are working hand-in-hand, many of whom are ministers of different creeds.

Sangamon County Leading.
Reports from over the state show that the drive is progressing rapidly in all counties, but Sangamon holds the honors thus far. Williams township in that county reporting the official quota of \$975 solicited four days previous to the opening of the campaign. The amount of \$2,000 was raised in fifteen minutes in Decatur last night following a forceful talk given by Judge Hugo Pam of Chicago.

The cause has been endorsed by Gov. Frank O. Lowden who last week issued a proclamation appealing to the people of Illinois to do their share in contributing to this worthy cause. Herbert Hoover, Food Administrator who witnessed the need of immediate aid in these countries, H. P. Davidson, who as chairman of the War Council of the American Red Cross witnessed the effective work done by the American Jewish Relief Committee and by Geo. Ade, Geo. F. Burba, and Dr. Frank Crane.

REVIVAL SERVICES CLOSED.

The revival services held in the Church of the Brethren in this city, of which Rev. J. J. Johnson is pastor, have closed, with eleven converts to be added to the church. The services were most enthusiastic and largely attended. Rev. Mr. Snell was the evangelist in charge.

THE WEATHER

TUESDAY, OCT. 28, 1919

By Associated Press Leased Wire

Chicago and Vicinity: Fair and slightly cooler tonight with heavy frost and freezing temperature; Wednesday fair with slowly rising temperature; moderate northwest to southwest winds.

Illinois: Fair and colder tonight with heavy frost; freezing temperature in north and central portions; Wednesday fair with slowly rising temperature.

A "HIGH SCHOOL SOVIET" DEMAND IN BELLEVILLE

Belleville, Ill., Oct. 28.—Demands that a "high school soviet" be established were made in a memorial to the high school board by students of the Belleville township high school. The memorial states that if demands are not met by Nov. 1, the student will "go on strike."

The students demand a six hour school day, Friday afternoon holiday, a minimum passing grade of 50 rather than 75 per cent, teachers under the age of 25 years, pool tables and phonographs in the recreation rooms, free lunch to senior students, and that all regulations originate with the students council.

UNION LEADER SAYS STRIKE IN MILLS IS LOST

Chicago, Oct. 28.—Every department of the United States Steel corporation's huge plant at Gary, Ind., today was reported by company officials in operation and from other mill sites in the Chicago district came reports of gradual improvement that has extended over several days. The situation at Hammond and Indiana Harbor, Ind., where martial law was declared when disorders threatened, was so nearly normal today that five companies of Indiana state militia had been returned home.

Says Strike Is Lost
Breaking into the repeated statements by labor leaders that the strike had not been weakened was that by L. Titus, member of the steel strike council, and captain of pickets at Gary, Ind., that "the men are going back to work; the strike is lost, and the army is responsible."

Picketing by strikers virtually has been abandoned at Gary, where women members of strikers' families have taken up that work.

Distillers Expect Raising of Ban on Booze in November

Cincinnati, O., Oct. 28.—Bonded whiskey in warehouses in this and adjacent districts is gradually being withdrawn and sent to other parts of the country in preparation for the repeal of wartime prohibition, it has been learned here. Chief Deputy U. S. Internal Revenue Collector Stephen W. McGrath has disclosed the owners of the whiskey in the Cincinnati district have made frequent visits to his office to secure permission for the transfer of the liquor. Thousands of gallons have been moved out, and most of it sent to the big warehouses in the neighborhood of the big centers in the east.

What transpired in the Ohio warehouses has been repeated in Kentucky, it is said. Distillers look forward to the lifting of the ban between November 15 and December 1, it is said.

Six Fliers Are Still Competing in Race

Chicago, Oct. 28.—Six of the sixty-two army aviators who started the world's greatest race twenty days ago today remained in the contest, with the possibility that one might finish the 5402 mile twice trans-continental journey before nightfall. Lieut. H. W. Sheridan, at Buffalo, N. Y., 323 miles from his starting point, Mineola, N. Y., since Saturday, hopes for better weather that would permit him to attain his goal.

Lieut. R. S. Worthington, the only west-bound flier not yet home or disqualified, today was at Rock Island, Ill. He had been held up there nearly a week. Lieut. D. E. Gish planned to take the air today from North Platte, Neb., where he was stopped yesterday by a frozen railroad. Lieut. R. M. Bagby and Lieut. Col. H. E. Hartney were 118 miles ahead of him at St. Paul, Neb., where bad weather forced them to land. Capt. F. Steine was at Battle Mountain, Nev.

COLONY PATIENT FRIGHTENED FOLKS AROUND GAP GROVE

An escaped patient from the state col. only created considerable excitement in the vicinity of Gap Grove between the hours of 8 and 9 o'clock last evening. He was wandering about the yards and peering into houses when first discovered and word was immediately telephoned to the sheriff's office.

The sheriff telephoned the colony and was told that two patients had left last Saturday, but that they did not know of a third one, who might be wandering about at Gap Grove. Sheriff Schoenholz and Turnkey Joe Miller went to Gap Grove and took the unfortunate in custody, delivering him to the authorities at the colony administration building.

DANCE AT MAYTOWN

A number of Dixon young people anticipate driving to Maytown tomorrow evening to attend a big dance to be given in the hall there.

DELAY IN COAL STRIKE IS HOPE OF GOVERNMENT

Wednesday Meeting of Union Chiefs Raises Hopes.

Washington, Oct. 28.—Hope was expressed in official quarters today that the soft coal strike set for Saturday would be postponed if not called off.

Announcement that John L. Lewis, president of the United Mine Workers of America had summoned members of the full scale committee to meet the international executive board was accepted as an indication that President Wilson's command to the miner's organization not to plunge the country into industrial chaos might be heeded.

Not All Will Quit.
In full belief that officers of the international body who ordered the strike have power to stop it, government officials awaited the next step, which must come from the miners. Confidential reports from the central coal field territory indicated, it was said, that not all of the mining army of more than half a million men would quit work.

Steps to be taken by the government to deal with the strike, if it takes place, will be considered finally today at a meeting of the cabinet.

Roads Hurry Hauling.
Meanwhile the railroad administration continued its efforts to expedite movement of coal from the mines by ordering all coal not unloaded by owners within 24 hours to be dumped on the ground so as to release cars for their immediate return to the fields. The office of Director General Hines denied that orders had been issued for confiscation of coal for operation of trains.

WEDNESDAY MEETING ONLY HOPE.

Washington, Oct. 28.—Officials today pinned their hope of averting the strike of bituminous miners called Saturday on the meeting tomorrow in Indianapolis of the executive board of the United Mine Workers of America.

Study of union by-laws, officials said today revealed that the executive board (Continued on Page 4.)

TRAINMEN WILL QUIT CHICAGO WORK THURSDAY

Chicago, Oct. 28.—Twelve thousand members of the Brotherhood of Railway Trainmen embraced in fourteen lodges in the Chicago Switching district today had voted to strike Thursday unless wage demands filed July 3, last, were met "in full," and a vote on the proposition by the other lodges of the 180,000 trainmen throughout the country was under way. Headed by W. G. Lee, president of the brotherhood, a committee of 23 tomorrow will confer with Walker D. Hines, director general of railroads, and in the event the demands are not met have been empowered to call out all passenger and freight brakemen, suburban service men and yardmen without further ceremony.

HO-HUM! SODA CLERKS STRIKE

New York, Oct. 28.—A strike that will vitally affect New York's millions was voted early today by representatives of 4,500 drug clerks. After an all-night meeting the men voted 1,430 to 70 to go out during the week, leaving the date to be determined by their officers. Union officials said that the men involved comprised ninety per cent of all the drug clerks in the city.

The clerks demand an eight hour day, a closed shop and an average increase in wages of 35 per cent. Soda clerks, cashier and other employees in drug stores are included in the union membership.

Officials of the union declared that every effort was made to adjust their grievances but they were given no encouragement.

NEW STRIKE IN CHICAGO WILL AFFECT 100,000

Chicago, Oct. 28.—More than 100,000 workers of the Building Trades employed on \$20,000,000 worth of construction today faced a new suspension of work through the walkout of 1000 caisson diggers. The Building Trades employees returned to work Sept. 19 after a strike and subsequent lockout that lasted two months. The caisson diggers struck yesterday without any notice, presenting demands as individuals for one dollar an hour. They were increased 12 1/2¢ an hour in the recent settlement, making their wages 90 cents an hour.

E. M. Craig, secretary of the Building Construction Employer's Association, said that as the union is not involved officially mediation could not be resorted to and that the employers would not at this time consider a new wage demand.

TEN DIE TODAY WHEN STEAMER SINKS IN LAKE

Passenger Smashes In to Pier at Muskegon and Goes Down.

Muskegon, Mich., Oct. 28.—Caught by a gigantic wave as she was trying to make this harbor after riding out a terrific gale on Lake Michigan last night, the Crosby steamer City of Muskegon crashed into the South Pier at Muskegon Channel this morning, and sank in less than ten minutes, carrying to death at least 12 of her passengers and crew. The exact number of death has not been determined but may reach 20.

The bodies of four men and three women have been washed ashore and the beach for miles is being patrolled for additional victims.

The crash came without warning, most of the passengers being caught in their state rooms. The lights went out and the screams of women passengers added to the confusion. Then followed the scramble for safety. Most of the passengers escaped by jumping from the decks to the pier.

Many Leaped to Safety.
The City of Muskegon left Milwaukee at 9 o'clock last night and was severely buffeted by the storm during the night run across the lake. Just as the steamer was reaching apparent safety at the harbor entrance, a gigantic wave caught it and swept upon the South Pier. The force of the impact left the heavy craft out of the water and for a few minutes it hung partially suspended from the pier. It was at this time that Capt. Edward Miller ordered the passengers to leap to the pier. Drenched by waves that were pounding the vessel to fragments a majority of the scantily clad passengers climbed over the rail. Those who hesitated went down with the steamer a few minutes later when another huge wave tore the vessel from the pier and sent it to the bottom of the channel.

Rescue Impossible.
The crash came mealmost within the shadow of the coast guard station, but launch lifeboats. Launching of boats and rafts from the steamer also was impossible.

The exact number of dead may never be known as the passenger list went down with the vessel.

Nothing is left of the ill-fated steamer excepting tons of wreckage strewn along the shore of Lake Michigan.

Partial Death List.
Those lost are believed to include: Mrs. W. H. Johnston, passenger, Freysburg, Mich.
Mrs. Jessie Hopkins, waitress, Muskegon.
Harry Ries, assistant engineer, Milwaukee.
John Brandstetter, second cook, Manitowish, Mich.
John Lynch, deck hand, Milwaukee.
Arthur Dewitt, member of crew, Muskegon.
John Huff, member of crew, Muskegon.

Two unidentified men.

WINTER SPEEDS TO AID OF REDS IN PETROGRAD

London, Oct. 28.—Winter, moving southward, from the Arctic regions, is coming to the aid of bolshevik troops in Petrograd and the ability of Gen. Yudenitch to capture the former Russian capital before cold weather puts an end to his campaign seems doubtful.

Soviet forces, fighting desperately against the northwestern Russian army have succeeded in recapturing Tsarskoye-Selo and Pavlovsk, south of Petrograd, and appear to be in a position to prolong the defense of the city for an indefinite period.

Some of the best soldiers in the ranks of the soviet army are said to have been rushed to Petrograd from Moscow and it is believed they formed the main portion of the Red forces which have initiated what appears to be a successful counter offensive.

FREEPORT KNIGHTS TO COME TO DIXON

Reports from Freeport are to the effect that a large number of Knights of Columbus are planning to come to Dixon next Sunday to attend the big meeting and banquet of Dixon Council K. C., and that there is a probability that the Freeport Knights will charter a special train on the Illinois Central for the trip.

The day will doubtless see many visiting Knights here from cities in this vicinity. The major degrees will be conferred on sixty candidates at a meeting to be held in the Armory during the afternoon and early evening, and a banquet, to which the ladies are invited, will be enjoyed at the Moose hall after the initiatory meeting at the Armory. Bishop Peter J. Muldoon will be the guest of honor at the banquet and will make the principal address.

LOWDEN TO CONFERENCE

Springfield, Ill., Oct. 28.—Gov. Frank O. Lowden left here at noon today for Chicago. Before returning to Springfield Saturday, he will deliver an address before the Indiana State Teachers' Association at Indianapolis.

H. E. Lager left yesterday for a six weeks' business trip through the west.

BOOZE LID WILL BE LIFTED SOON AS SENATE ACTS

Washington, Oct. 28.—War time prohibition will be brought to an end by Presidential proclamation immediately after the senate ratifies the German peace treaty, it was said today at the White House.

Officials explaining that the war time act providing that it should be annulled by the president when peace had been declared and when the army and navy had been demobilized. Congress was informed yesterday by the president in his message vetoing the prohibition enforcement bill that demobilization of the army and the navy had been completed.

Not to Wait Austrian Pact
The White House announcement clears up any doubt as to whether the war would be ended legally with the ratification of the German treaty. Some officials had expressed the opinion that the war emergency would not pass until the treaty with Austria had been acted upon by the senate.

VETO MESSAGE OF PRESIDENT UPON DRY BILL

Washington, D. C., Oct. 27.—The message of President Wilson vetoing the dry enforcement bill follows:

"To the house of representatives: I am returning without my signature P. R. 6810, 'an act to prohibit intoxicating beverages and to regulate the manufacture, production, use, and sale of high proof spirits for other than beverage purposes, and to insure an ample supply of alcohol and promote its use in scientific research and in the development of fuel, dye, and other lawful industries.'"

"The subject matter treated in this measure deals with two distinct phases of prohibition legislation. One part of the act under consideration seeks to enforce wartime prohibition. The other provides for the enforcement which was made necessary by the adoption of the constitutional amendment. I object to and cannot approve that part of this legislation with reference to wartime prohibition."

"It has to do with the enforcement of an act which was passed by reason of the emergencies of the war and whose objects have been satisfied in the demobilization of the army and navy and whose repeal I have already sought at the hands of congress. Where the purposes of particular legislation arising out of war emergency have been satisfied, sound public policy makes clear the reason and necessity for repeal."

"It will not be difficult for congress in considering this important matter to separate these two questions and effectively to legislate regarding them, making the proper distinction between temporary causes which arose out of the wartime emergencies and those like the constitutional amendment of prohibition, which is now part of the fundamental law of the country."

"In all matters having to do with the personal habits and customs of large numbers of our people we must be certain that the established processes of legal change are followed. In no other way can the salutary object sought to be accomplished by great reforms of this character be made satisfactory and permanent."

"Woodrow Wilson."
The White House, Oct. 27, 1919."

A THIRD POWER BLOCKED U. S. IN AZORES STATION

Madrid, Monday, Oct. 27.—Objections by a third power, led to the refusal of Portugal to grant the United States a naval base in the Azores, according to information received here in well informed circles.

Senhor Cardoso, Premier of Portugal, in a statement to the Associated Press Monday, denied the truth of reports that Portugal had granted the United States the right to establish a naval base in the Azores. He hinted that the United States had not asked for such a concession but said it would have been impossible to have granted it, as it would give the United States a dominant position in the Archipelago.

RETURNED SOLDIERS TO ADDRESS U. S. W. V.

Clarence Higley, of Rockford, a member of old Company G, during the Spanish-American war and just returned from 18 months in France, will address the meeting of W. E. Baldwin Camp No. 23, U. S. W. V., this evening at G. A. R. hall after the regular business session, which is called for 8 o'clock sharp. A good attendance should greet Mr. Higley.

U. OF W. ELECTIONS
By Associated Press Leased Wire
Madison, Wis., Oct. 28.—Class elections at the University of Wisconsin resulted in victory for Fred M. Bickel of Racine, senior president; Allen Davey of Aurora, Ill., president of junior class; Fred G. Smith of Freeport, Ill., sophomore president and Walter Perkins of Kenosha, who heads the freshmen.

SENATE PUSHES BILL THRU OVER WILSON'S VETO

Similar Action Taken in Senate — Will Crimp Holiday.

Washington, Oct. 28.—The prohibition enforcement bill was repassed today by the senate over President Wilson's veto. The section relating to war time prohibition becomes effective immediately upon signature of the bill by the presiding officers of the senate and house.

BULLETIN.
By Associated Press Leased Wire
Washington, Oct. 28.—The prohibition enforcement bill was repassed today by the senate over President Wilson's veto. The section relating to war time prohibition becomes effective immediately upon signature of the bill by the presiding officers of the senate and house.

Washington, Oct. 28.—An effort to have the senate act on a motion to repeal the prohibition enforcement bill over President Wilson's veto was made soon after the senate convened today. Several democrats objected and a long parliamentary wrangle over the rule ensued.

When the bill was received from the house, Senator Sterling, republican, of South Dakota, who had charge of the measure when it passed the senate, asked unanimous consent for its immediate consideration. Senator Robinson, democrat, of Arkansas, objected and then Senator Sterling moved that the senate, which was in open executive session for debate on the peace treaty, proceed to legislative business.

Urges Treaty Debate
Objection to laying aside the treaty was made by Senator Hitchcock, of Nebraska, the administration leader, who has opposed prohibition measures in the past. Although Senator Sterling said he was sure the bill's disposition would require but a very short time, Senator Hitchcock urged that debate on the treaty continue, declaring the people were beginning to believe the senate was deliberately delaying the treaty.

Senator Nelson, republican, of Minnesota, chairman of the senate judiciary committee, endeavored to cut off discussion by declaring Senator Sterling's motion non-debatable. Republican leader Lodge and Senator Smoot, republican, of Idaho, also quoted rules declaring the prohibition bill was privileged.

Senator Lenroot, republican, of Wisconsin, who was presiding temporarily, ruled that the Sterling motion was debatable.

"Confiscation" Underwood
Urging that the president's veto be sustained, Senator Underwood, democrat, of Alabama, said war time prohibition was unconstitutional because it involved confiscation of private property without adequate compensation. Senator Borah, republican, of Idaho, remarked that as a result of President Wilson's statement on the coal strike and his prohibition veto message "he was utterly bewildered" as to the ending of the war.

"The President's statement to the miners declared the war is not ended and their contracts are in effect," said Mr. Borah, "while this message declares the war is closed."

Washington, Oct. 28.—Temporarily non-plussed by President Wilson's veto of the prohibition enforcement bill but later greatly encouraged by the equally unexpected action of the house in passing the measure over the president's veto, dry leaders in congress were working today to obtain the necessary two-thirds vote in the senate.

Want Wet Holiday
Leaders of the anti-prohibition forces were equally active for through an adverse vote in the senate there still may be a "wet spell" before constitutional prohibition becomes effective next January 16.

Dry leaders in the senate were hopeful of calling up the enforcement bill in the senate today immediately upon the reading of the president's veto message, announcing that he could not sign the measure because it provided for enforcement of war time prohibition, which he asserted, "sound public policy makes clear the reason and necessity for its repeal." Confidence was expressed that the necessary two-thirds would be obtained to override the veto.

Was Snappy Comeback
To the vote in the house yesterday of 176 to 55, twenty-two more than necessary, came within three hours after the presidential veto was announced from the White House, and followed an uproar in the house chamber lasting from the time the executive message was read until the final roll call. Leaders pleaded for postponement pointing out that a bare majority of the membership was present, but it was to no avail for the dry forces would not be denied. Bowling over every attempt to postpone action, the prohibitionists set a record for congressional action for so far as veteran members and employees could remember never has a presidential veto been overridden within three hours after it was announced.

Society

COMING EVENTS

Tuesday
Practical Club—Mrs. R. C. Caughey, 614 Crawford Ave.
South Dixon Music Study Club—Richard Stanard.
Stjernan Club—Miss Clara Hasselberg.

COVERT-GRANT—

A wedding that will be of interest to scores of Dixon friends took place at the home of Mr. and Mrs. Elmer Grant, 419 Forty-third street, Moline, Ill., Saturday, October 25th, at 6 o'clock p. m., the former's mother, Mrs. Emma Grant and Phineas A. Covert, both highly respected citizens of Dixon, being united in marriage. Rev. C. O. Moorland, pastor of the First Lutheran church, of Moline, officiated. The only witnesses were Mr. and Mrs. Elmer Grant, who, after the ceremony served an excellent wedding supper.

Mr. and Mrs. Covert spent some time in Clinton, Iowa, where they were entertained at the home of Mr. and Mrs. Bert Covert, before returning to Dixon.

The Moline Dispatch published the license Saturday evening and friends in Dixon, notified of the fact, gathered at the home of Mrs. Covert, 315 First St., to welcome them. A most delicious scramble supper was served and a handsome set of China was presented the happy couple.

Mr. and Mrs. Covert will reside in Sublette where Mr. Covert is engaged in the hardware business. Dixon friends extend congratulations and best wishes.

FOR WEDDING ANNIVERSARY—

Mr. and Mrs. William Dachner, Sr., were very pleasantly surprised Sunday when their children gathered at their home to help them celebrate their forty-first wedding anniversary. At noon a delicious scramble dinner was served. Those present were: Mr. and Mrs. William Wachtel and daughter, Mr. and Mrs. John Nurnburg and George Paulhauber, Jr., of Mendota; Mr. and Mrs. Eric Weed and family, Mr. and Mrs. Elmer Ringler and family and William Dachner, Jr., of Dixon. Mrs. George Paulhauber, Sr., of Chicago, was unable to be present.

LAF-A-LOT CLUB—

Mrs. Harry Rhodes will entertain the Laf-a-Lot club of Palmyra on Thursday afternoon. Members are urged to attend.

The meeting of two weeks ago was held at the home of Mrs. Paul Miller and each one attending spent a delightful afternoon. Piano music was enjoyed and refreshments were served. Mrs. Benj. Smith, of Dixon, was a guest.

BIRTHDAY DINNER PARTY—

Mrs. Mary A. Trowbridge, 459 Second street, entertained in honor of her 84th birthday on October 23rd, given a dinner party to a few of her friends. The guests included Mrs. Elizabeth Trow-

DIXON INDEPENDENTS, NEW FOOT BALL TEAM, TO PLAY FIRST GAME

Rockford Wolverines Coming for Contest Sunday Afternoon.

The Dixon Independents, a football team composed of high school stars of the past few seasons and returned soldiers, recently organized, will play its first game Sunday afternoon at the Brown Shoe Co. park when it will tackle the Rockford Wolverines, a team that has not been defeated this season.

The organization of the Independents gives Dixon representation among the many cities which are this year supporting professional teams. The post-war adjustment has brought a great change in the athletic complexion of the country, and football is no longer considered a sport for high school and college students alone.

The game is being played in the base ball parks and in the sand lots. Many service teams in this country and overseas played the game last year and the year before. Soldier boys who had never gone to college learned the game and liked it, and now it has become immensely popular as one of the major sports. In fact nearly every city and town in the country has a representative football team this fall. Football life in nicely in the sport calendar, succeeding the long season of baseball at a time outdoor conditions are a bit too crisp for the diamond sport.

Some of the greatest football stars of all times are playing professional football this fall. Such men as Jim Thorpe, Paul Desjardins, Joe Guyon, Chuck Barrett and Chamberlain, formerly of Nebraska, are finding the old gridiron lure still strong and they're making good money, too. Professional football pays well.

The most successful professional teams are those of Canton, Massillon, Akron and Cleveland, in Ohio and the Hammond, Ind., team.

Jim Thorpe, manager of the Canton Bulldogs, has a great collection of college stars. He has Guyon, Calum Chamberlain, Tedder, of Dartmouth and Coch-

the improvement in their economic condition due to their increased wages. The number of marriages in Prussia last year was about 100,000 less than took place in the last peace year when there was a surplus of only five women to every thousand men.

ANNOUNCEMENT

I have purchased the Shaver Tire Shop at 105 Peoria Ave, conducted by my father, and am thoroughly equipped to do vulcanizing and repairing of all kinds.

A MONEY SAVING SERVICE TO DIXON AUTO OWNERS

Any kind of a pneumatic tire—in almost any condition—can be put back in running order, good for more miles of hard road service. And if the tire isn't worth repairing we tell you so—if it is and we fix it, that repair is UNCONDITIONALLY GUARANTEED.

We repair successfully any "fixable" injury in any kind of a tire from 3 inch to 5½ inch. Auto tires.

HAYWOOD VULCANIZERS ARE THE BEST EVER BUILT

The best equipment that we can get puts us in a position to produce the best tire repair work that can be done.

Remember! We guarantee every nickel's worth of work we do.

WHAT IT MEANS TO YOU—

Here's what our service means to you—that if you let us, we will examine your tires regularly and call your attention to small cuts and bruises in time to prevent their becoming serious. We'll help you avoid expensive repairs.

Oil and gas are going up! Tires are going up! Here is your chance to economize. You can save the cost of fuel and oil by letting us watch your tires.

Try it NOW! Bring in all the old casings and tubes you can find and let us look 'em over—if they're worth repairing we'll do it—and guarantee the job.

STUDY CHEMISTRY.

The uses made of chemistry in the war covered so great a range that not only soldiers, but the entire world, has learned that there is a tremendous field for applied chemistry, and that the chemical discoveries and inventions up to date are but the beginning of a world of useful knowledge.

Whether making steel or handling dry goods, a knowledge of chemistry and chemical tests is of value. There are doubtless many ways of making dyes that have not yet been discovered. There are new chemical combinations and uses for them waiting for discovery. New methods and cheaper methods of manufacturing standard products will be discovered by the chemical explorer. New uses for chemicals which may seem to have outlived their day will be brought to light by the chemical student. Such was the case with great quantities of phosphoric acid—the poison gas of war. It was at first thought that this acid was a waste on hand when the war stopped, would be a dead loss. But the chemists found a way to use it and market it.

An entirely new industry often comes out of a chemical discovery or the finding of a new chemical process. A process has recently been patented by which silver may be made into a plastic form and can be worked like clay, or may be made thin enough to be worked like paint. The same process applies to copper, copper alloys and bronzes. This opens up a very wide field for artists and the workers in metal wares. Happy is the man who "stumbles onto" a chemical discovery of that order!

But the "stumbling onto" these secrets of nature almost invariably result from the patient study and persistent experimenting that cost little by way of initial outlay, and are at ways a source of pleasure and relaxation from handling a shovelful or pushing a workman's pen.

DELAY IN COAL STRIKE IS HOPE OF GOVERNMENT

(Continued from page one.)

has power to call off the strike or at least to order a postponement.

TURN TO INDIANAPOLIS.

By Associated Press Leased Wire
Springfield, Ill., Oct. 28.—Interest in the strike of soft coal miners, scheduled for midnight Friday, shifted today to Indianapolis with the departure thence from Springfield this morning of John L. Lewis, acting president of the United Mine Workers of America, who will confer tomorrow at the Indiana capital with members of the miner's international executive board on final strike plans.

Prompted by the seriousness of the situation, Lewis last night invited the 25 district presidents of coal producing states and members of the scale committee of the central competitive field to be present at the Indianapolis conference, called for 10 a. m. tomorrow when a definite policy will be mapped out in view of the President's ultimatum.

Strike Friday Night.

Mr. Lewis declined to comment on the possible outcome of the conference of the mine union leaders who constitute the responsible leaders of the mine workers organization. He was content to say the strike order remained in effect and would be operative at midnight, Friday, unless rescinded in the meantime.

A flood of telegrams is being received daily by him, Mr. Lewis said, pledging support in the existing crisis.

SAY WAR IS OVER.

By Associated Press Leased Wire
Indianapolis, Ind., Oct. 28.—President Wilson's veto of the prohibition enforcement bill yesterday, was advanced today by officials of the United Mine Workers of America here as an argument in favor of their contention that the "war emergency" has passed and that the miners therefore are no longer bound by wage agreements entered into for "the continuation of the war." It is hoped, they said, that the action will swing public opinion their way and aid in securing their demands for a 20-hour week and 60 per cent increase in pay, failure of which has resulted in an order for a strike of all bituminous coal miners on Nov. 1.

PLAN DISTRIBUTION.

By Associated Press Leased Wire
Des Moines, Iowa, Oct. 28.—Charles Webster, federal fuel administrator for Iowa during the war, has taken steps today to reorganize the state fuel administration as a preparation for the threatened coal miners' strike. Mr. Webster agreed to take charge of the distribution problems at a conference with Gov. Harding yesterday. He wrote a letter to all former members of the State Fuel Commission requesting them to be ready to act again in case they are called on.

Representatives of retail dealers in the state have been asked to confer with Gov. Harding Wednesday.

No Special Change in Wilson's Illness

By Associated Press Leased Wire
Washington, Oct. 28.—President Wilson continued to show progress, said a bulletin today by his physicians. The bulletin follows:

"There is no special change in the President's condition. His progress continues. He takes his luncheon and dinner in a semi-sitting position, which adds greatly to the enjoyment of his food and causes no fatigue."

—Pay your carrier boy each week.

YANKS DECISIVE FACTOR IN WAR — KING ALBERT

Belgian King Addresses American Nation Thru Congress.

By Associated Press Leased Wire
Washington, Oct. 28.—King Albert of the Belgians, paid homage in the house of representatives today to the American army which he described as "the decisive factor in determining the victory." In an address to the senate a few minutes earlier he had asserted that "nothing could better characterize the reign of universal democracy" than the friendship between his country and the United States.

The addresses of His Majesty today were the longest and most important he has made in America. They were intended as messages to the entire nation and his sincerity in expressing the thanks of Belgium to Americans for their aid was plainly evident.

"I salute," he said to the senate, "not only the eminent men who received me here during the day, but I salute the memory of your great predecessors who, during 130 years, have sat in this place and given to the whole world the highest civic virtues. This welcome of the senate seals that reception, so warm and so spontaneous I have received everywhere during my journey across this magnificent country. I am deeply moved by the expressions of sympathy that the name of Belgium evokes from this noble American people."

Visited White House.

Despite busy day ahead of him, King Albert varied his announced program an accompanied by Queen Elizabeth an the Duke of Brabant, called at the White House this morning, ending half an hour in an informal visit with Mrs. Wilson. The visit followed the reception of the staff of the Belgian legation by the royal party.

On his return from the White House King Albert received Vice President Marshall and Mrs. Marshall, Senator Cummins, president pro-tem of the senate and Speaker Gillett of the house. Members of President Wilson's cabinet also called to pay their respects to the nation's distinguished guests.

ELKS PLAN FOR ANNUAL BAZAR

At the regular meeting of the Dixon lodge of Elks held last evening it was decided to hold the annual fair and bazaar this winter as has been the custom for many seasons. This event was cancelled from the calendar of winter activities last year on account of the war, but will be renewed again this year and will be held at Rosbrook hall during Thanksgiving week.

The following committee was appointed last evening to have charge of the fair and bazaar: William Nixon, Richard C. Bovey, M. L. Dysart, Tim Sullivan, Harry Stephan, George W. Smith and Will W. Gilbert.

On Tuesday evening, Nov. 11, all of the members of the club are to assemble at the club rooms and participate in a big celebration to be given in honor of the members of the local lodge who served in the late war and have returned home. A committee was named last evening to assist the house and entertainment committees in the preparation of this event as follows: Louis A. Picher, Grover W. Gehant, Freeman Robinson, E. J. Decker, J. Henry Kenneth, Harry Ruffenberger, Mahlon R. Fox, John P. Orngieson, J. Barry Lenon, Louis Schumm, Eugene Reuland, Martin Gannon, John P. Devine and Herbert W. Harms.

Norman Sterling spent the week-end with Rockford relatives.

TEN YEARS AGO IN DIXON TELEGRAPH

The safe at the Nachusa post office in C. B. Crawford's store was blown with nitroglycerine and robbers secured \$60 in money and \$153 in stamps. Fire in the furnace room of the Elks building on First street endangered the National Clothing and Campbell drug stores.

The Fraternal Parliament, a new insurance company with head offices in Dixon, issued its first policies.

Maximum and minimum temperature for the day: 53 and 35.

W. B. Brinton was elected a director of the Automobile Insurance Co. at the stockholders meeting in Indianapolis. J. W. Winter accepted a position as brakeman on the Illinois Central.

30 YEARS AGO IN DIXON TELEGRAPH

Thomas G. Davis purchased the J. H. Anderson brick building on Main St., occupied by Mr. Keyes.

S. Benson of Earlville purchased the J. W. Franklin restaurant opposite the post office.

Frank Schriener, a pressman at the Telegraph office, suffered a badly smashed hand in a press at the office.

STORY OF NEED OF CLOTHING IS A MISQUOTATION

Supt. J. C. Reeder of the Dixon schools tells the Telegraph that he was seriously misquoted in an article appearing in this paper Monday evening, in which it was stated that 200 school children of Dixon were unable to attend school because of lack of sufficient clothing. The report of the Parent Teachers' meeting, at which Supt. Reeder made his remarks, was received from a source which this paper had no reason to doubt, and accordingly was given prominence.

What Mr. Reeder said was that there were over 200 children in Dixon between the ages of 6 and 16 who were not attending school; and some few children had been kept from school because of lack of clothing. However these children, he said, had procured clothing and were able to go to school now; but the clothing they had was not winter clothing and they would have to be better supplied before winter sets in. In this connection, the Superintendent said, he would like to have the aid of a committee of Dixon people to look in to such cases quietly and provide necessary clothing with no publicity being given their actions.

PLOT TO KIDNAP EDESEL FORD HAS BEEN UNCOVERED

By Associated Press Leased Wire
Toledo, Ohio, Oct. 28.—Statements of a private detective that he had discovered a plot to kidnap Edsel Ford, son of Henry Ford, and hold him for \$200,000 ransom, led to the arrest here today of four men.

ROOSEVELT MEMORIAL DRIVE TO LAST THRU THIS WEEK IN STATE

Good Progress is Being Reported from Many Districts.

The Roosevelt Memorial fund campaign, which was launched on Oct. 20 and was scheduled to end Oct. 27, will be continued another week throughout the state, in order to give the numerous county organizations sufficient time to raise the quota assigned to their sections and to make certain the raising of the \$300,000 which is the proportion of the counties outside of Cook.

"As in all campaigns of this character," said Ralph C. Kent, state director, "it was late in getting under way, owing to the impossibilities of getting the county organizations to go until the middle of the week. This was the fault of no one in particular and is a condition that is always encountered in a so-called 'drive' for funds; in fact, I do not recall a campaign where the public was called upon to give for some public purpose that it wasn't found necessary to carry it over another week."

"From all parts of the state I have received letters and telegrams from county chairmen requesting that the campaign be extended another week, in order to give their workers a fair chance to fill their quotas. I took the matter up with Governor Lowden, the chairman of the state committee, and Charles W. Folds, chairman of the Chicago executive committee, and they agreed that the only thing to do was to extend the campaign another week. "Insofar as the downstate workers have been able to solicit the public the results have been most encouraging. In Chicago up to Friday night more than 200,000 had been obtained, with a total of about 100,000 subscribers. Through-out the state the ratio of subscriptions and number of subscribers is about the same."

"Now that the campaign is well under way and the public understands its motive, and has become imbued with the spirit of giving to Roosevelt's memory a square deal, workers ought to find no difficulty whatever in filling out the quotas in their various sections. Let every man, woman and child engaged in this splendid work of honoring the memory of one of the greatest Americans who ever lived enter upon the task with renewed energy and enthusiasm, and help to send Illinois over the top with a 100 per cent mark to its credit."

TO FIRE ALIENS FIRST.

By Associated Press Leased Wire
Boston, Mass., Oct. 28.—No citizens of the United States are to be removed from their jobs at navy yards because of lack of work or lack of funds for naval construction, until all aliens have been discharged. This is the substance of an order by Secretary Daniels received at the First Naval District headquarters here today.

Blinn Smith has returned from North Dakota.

Allege Swindle of \$500,000 in Peoria

By Associated Press Leased Wire
Chicago, Oct. 28.—Three men are being questioned today by State's Attorney following a confession made in New York by Thomas V. Hennessy, superintendent of the Barrett Paper Manufacturing Co., of Peoria, Ill., in which he charges the concern has been mulcted out of \$500,000.

The men being grilled are: Edward Simon, 30 years old; Samuel Simon, 28 years old and Emmanuel H. Davies, 35 years old.

According to the confession of Hennessy, he and the other three men, two of whom, the Simon brothers, are engaged in the junk business with Davies as their general manager, manipulated car loads of rags and junk in such a manner as to swindle the Barrett company of large sums during the last 18 months.

Hennessy is said to have received \$30,000 as his share in the alleged fraud.

Mr. and Mrs. H. Rogers have gone to St. Louis for a visit with relatives and friends.

Geo. C. Loveland sold to Mrs. Jennie Adams, lot in Block 37 adjoining her home, consideration \$600.

Allied Commission Goes to Baltic Soon

By Associated Press Leased Wire
Paris, Oct. 28.—The supreme council decided today that the allied commission to supervise the evacuation of the Baltic provinces by the Germans should leave for the Baltic within a few days. This decision was reached at a meeting of the council presided over by Premier Clemenceau and attended by Marshal Foch, General Niessel and numerous allied military and naval experts. The commission is composed of Gen. Niessel, representing France, who is chief of the body; Gen. Turner, England; Gen. Marietti, Italy; Commandant Takeda, Japan; and Brig. Gen. S. A. Cheney, United States.

POLISH SUFFERING TERRIBLE.

By Associated Press Leased Wire
Champaign, Ill., Oct. 28.—That three of his uncle's children had starved to death and that conditions in Pinsk, Poland, were "horrible" was the information received in a letter by Leo Swerinsky of this city from his relative late yesterday. The letter, dated Aug. 27, and the first news he had received from his relatives since the beginning of the World War, made a plea for quick relief and declared that many persons in Poland would be unable to survive the winter unless aid was forthcoming.

FAILURE TO WORK, NOT LOW WAGE, IS MINERS' TROUBLE

Investigation Shows Miners' Wages Average Very High.

By Associated Press Leased Wire

Chicago, Ill., Oct. 28.—Inquiry into the wages earned by miners in the bituminous coal fields of central and southern Illinois indicates that in many instances the failure of the men to perform steady work is more of a factor in determining their annual earning capacity than the existing wage scale.

At West Frankfort, Ill., Lon Fox, mayor and president of sub-district No. 9 for the miners, believes that the average wages of miners in this area will slightly exceed \$1,300 a year. John Black, secretary of the same sub-district for the miners declared that the machine miners averaged \$2,000 a year while the loaders would average \$1,800 per annum.

Secretary Black said last year was an exceptionally prosperous period for the coal business.

Acting President Lewis of the United Mine Workers has been credited with saying that the average last year was \$1,300, while John Fitzpatrick, president of the Chicago Federation of Labor, has been quoted as declaring the average would not exceed \$800 a year.

Following are some figures recently prepared by F. C. Honnold, secretary of the Illinois Mine Operators Association:

Average Wages Received.

For 10 mines in Franklin county—daily average for machine operator, \$9.53; annual average, \$1,972.71; daily average for loader \$8.68; annual average, \$1,672.56; daily average for pick miner, \$8.51; annual average, \$1,751.57. The number of days averaged by miners in this section last year was 207.

In the Saline county district, where the average days worked last year was 189, the machine operators averaged \$9.25 a day and \$1,750.14 a year; loader's daily average was \$7.67; yearly average, \$1,449.25; and the pick miner's average was \$7.75 a day and \$1,550 a year.

In the extreme southern section of the state the average days worked was 195. The average for machine men was \$9.20 a day and \$1,797 a year; for loaders, \$7.78 a day and \$1,519.69 a year; for pick miners, \$8.37 a day and \$1,634.94 a year.

At a mine near Marion, Ill., the figures showed that the miners averaged more than \$8 a day for the actual time they worked last July. One man drew \$297.92 for 26 days work while another earned \$91.02 for 11 days work. This represented the highest and lowest wages drawn in July by the men employed at this time.

ARREST SUSPECT IN ERIE STORE ROBBERY

Because a young fellow, who gave his name as Frank Edwards and his home as Peoria, could not satisfactorily explain how he came into possession of certain articles which had been stolen from the R. L. Burchell store in Erie last Wednesday night, he was arrested at Peoria Saturday afternoon and today was arraigned before Justice Potter of Erie on a charge of burglary. He was taken from Peoria to Morrison Saturday evening and lodged in the county jail there until today. The Whiteside county authorities hope to be able to get information from him which will lead to the apprehension of the rest of the gang which robbed the Erie mercantile establishment.

Thieves Stole the Best Tire

Even thieves are particular about the kind of auto tires they use. Saturday night, of the four perfectly good tires on the car of W. M. McKim, at 308 Avenue K, Sterling, they selected a HOOD, known as the best tire built and guaranteed by us for 10,000 miles, which was in daily use and already run about 4,000 miles.

We do not anticipate that this tire will come back to us for any adjustment.

HOOD tires seldom do need adjustment—HOOD users know how true this is. Ask HOOD users what they think of HOOD tires.

MAY TAX HALLER FOR BOOZE COUNTY TOOK; DESTROYED

Rockford, Ill., Oct. 27.—Edward Haller, of Forrester, has discovered that the way of the transgressor is hard. This old saying was poignantly brought to his attention when he learned that he was subject to an internal revenue tax of \$1,000 in addition to a fine of \$2,000 for violating the state liquor laws.

Mr. Haller was arrested recently for selling liquor. His apprehension followed an investigation conducted by Ward Thompson, department of justice representative, who learned that Haller had moved between 1,200 and 1,500 pints of whiskey after July 1.

Liquor Is Destroyed.

The whiskey was found cached in the attic over Haller's home. It was confiscated and last week George Banning, sheriff of Ogle county, broke the necks of some 1,200 bottles and allowed the contents to trickle into Rock River.

Mr. Haller plead guilty in Ogle county to selling liquor and was fined \$200 and costs, which amounted to about \$250.

Now Asked Revenue Tax.

The attention of Frank Bertrand has been called to the Haller case. Mr. Bertrand today declined to discuss what action the revenue department might take in collecting the tax. If the department acts it will be guided by the revenue law of 1918 that provides for assessing a tax of \$1,000.

The federal authorities did not prosecute Mr. Haller, believing that the fine assessed by the state and the loss of several thousand dollars worth of liquor was penalty enough.

EMERGENCY OPERATION.

Ernest Buchman, who resides on the T. W. Leake farm in Nachusa township was stricken with an attack of acute appendicitis at his home Sunday morning. He was taken to the Amboy hospital in the afternoon where an emergency operation was performed. Reports today are to the effect that the patient is resting fairly well, but is not entirely out of danger.

Palmyra People to Do Bits Thursday

The following have been selected to take charge of the Jewish Relief campaign in Palmyra township: Mound District—Mrs. Carl Straw. Gap Grove District—Mrs. Charles Lawton.

Prairieville District—Miss Lucella Powers. Sugar Grove District—Misses Mabel Drew and Eva Lawton.

Woosung District—Mrs. Bert Beede. Wild Cat District—Mrs. Charles Mensch.

Wolverine District—Mrs. Sam M. Gaffney. Oak Forest District—Mrs. Oscar Miller.

The above are asked to meet the people of their respective districts Thursday evening from 7 to 9 p. m. to receive contributions. In a little over a year Palmyra gave nearly \$6,000 to war activities and no one was the worse off for it.

This year we have been called upon as a town to give but a small sum of \$265 for the Salvation Army. Surely the people of our town have not been hardened by giving. Let us now remember those starving people across the sea and do our part on next Thursday evening.

Palmyra Jewish Relief Com.

FRUIT TRAIN WRECKED.

Fifteen carloads of fruit in an I. C. freight train, were piled in a heap at Elroy, near Freeport, Saturday night, the wreck being caused by a broken rail, and company employees were kept busy guarding the stuff during the night.

NOTICE.

The Telegraph has a number of soldiers' letters which have been published which owners must call for within a week if they desire the originals. Otherwise they will be destroyed.

COUNCIL WILL MEET.

The regular weekly meeting of the city council will be held this evening at the city hall.

On payment of a small deposit Chase & Miller will make any portraits you wish, and keep them until you want to send them out at Christmas time. If taken this week there will be one large picture free, with every dozen. 24919

representing the Glove Makers; Miss Rose Schneidemann of the cap makers; Miss Julia O'Connor, president of the Telephone Operators Union; and Miss Fannie Cohn, of the Ladies' Garment Workers Union of New York.

Three Sundays Per Week in Sarajevo

By Associated Press Leased Wire

Sarajevo, Bosnia, Oct. 2.—(By Mail)—Sunday is observed three times a week here.

Because there are 35,000 Turks in the city, Friday is the first Sunday. Then all the Turkish stores close and one goes twice a day to some of the hundred mosques whose slender minarets gleam white against the green background of the hills.

Because two hundred years ago a group of Spanish Jews settled in Bosnia Saturday is Sunday for many Sarajevoans. Then all the Jewish stores are closed and the Jews of the city crowd the big yellow synagogues of the main street.

Because all the rest of the 54,000 inhabitants of Sarajevo and hundreds of peasants from the hills around are Serbs and Bosnians following both the Roman Catholic and the Greek Orthodox beliefs, the Sunday Sabbath is the biggest holy day of all in Sarajevo. All the stores except the Turkish are closed. The churches are crowded with people dressed in every style from the latest Belgrade fashions to homespun trousers for both men and women, with huge beaded shoes and woolen turbans. After that modern Sarajevo walks about the modern quarters and old fashioned Sarajevo dances the "Kolo" in the big square off he crowded Turkish bazaar.

"The results of three Sabbaths a week for the people here is no Sundays at all for the Americans, who find no day without some school or hospital that must be provided for," said Lieutenant John D. Hartung of Bay Shore.

L. I. Lieutenant Hartung is in charge of the medical supplies from America which have made the Bosnian hospitals possible.

GET \$10,000 IN BONDS

By Associated Press Leased Wire
Mason City, Ia., Oct. 28.—Robbers blew the door off the vault of the Citizens' Savings Bank at Hanlontown, 15 miles northwest of here, some time last night and took about \$10,000 in liberty bonds from the safety deposit box. No money was taken. No clues have been found.

Wallace Seybert will have a sale on Tuesday, November 4th. Watch for his ad. 250167

HAS BIG ENROLLMENT.

From Chicago University comes the item that there are now 5,451 students enrolled this quarter and of these over 4,000 live on the campus. The University has property amounting to \$50,000,000 and is going to add a \$2,000,000 chapel to that later. Twenty-five thousand witnessed the recent football game between Chicago and Northwestern, in which the former won, 11 to 0. There is great rivalry between the two universities. Chicago also recently won from the Great Lakes team with a score of 123 to 0 and from Purdue, 14 to 0, and feels that it has a good chance for the conference title. It plays Illinois at Urbana next Saturday.

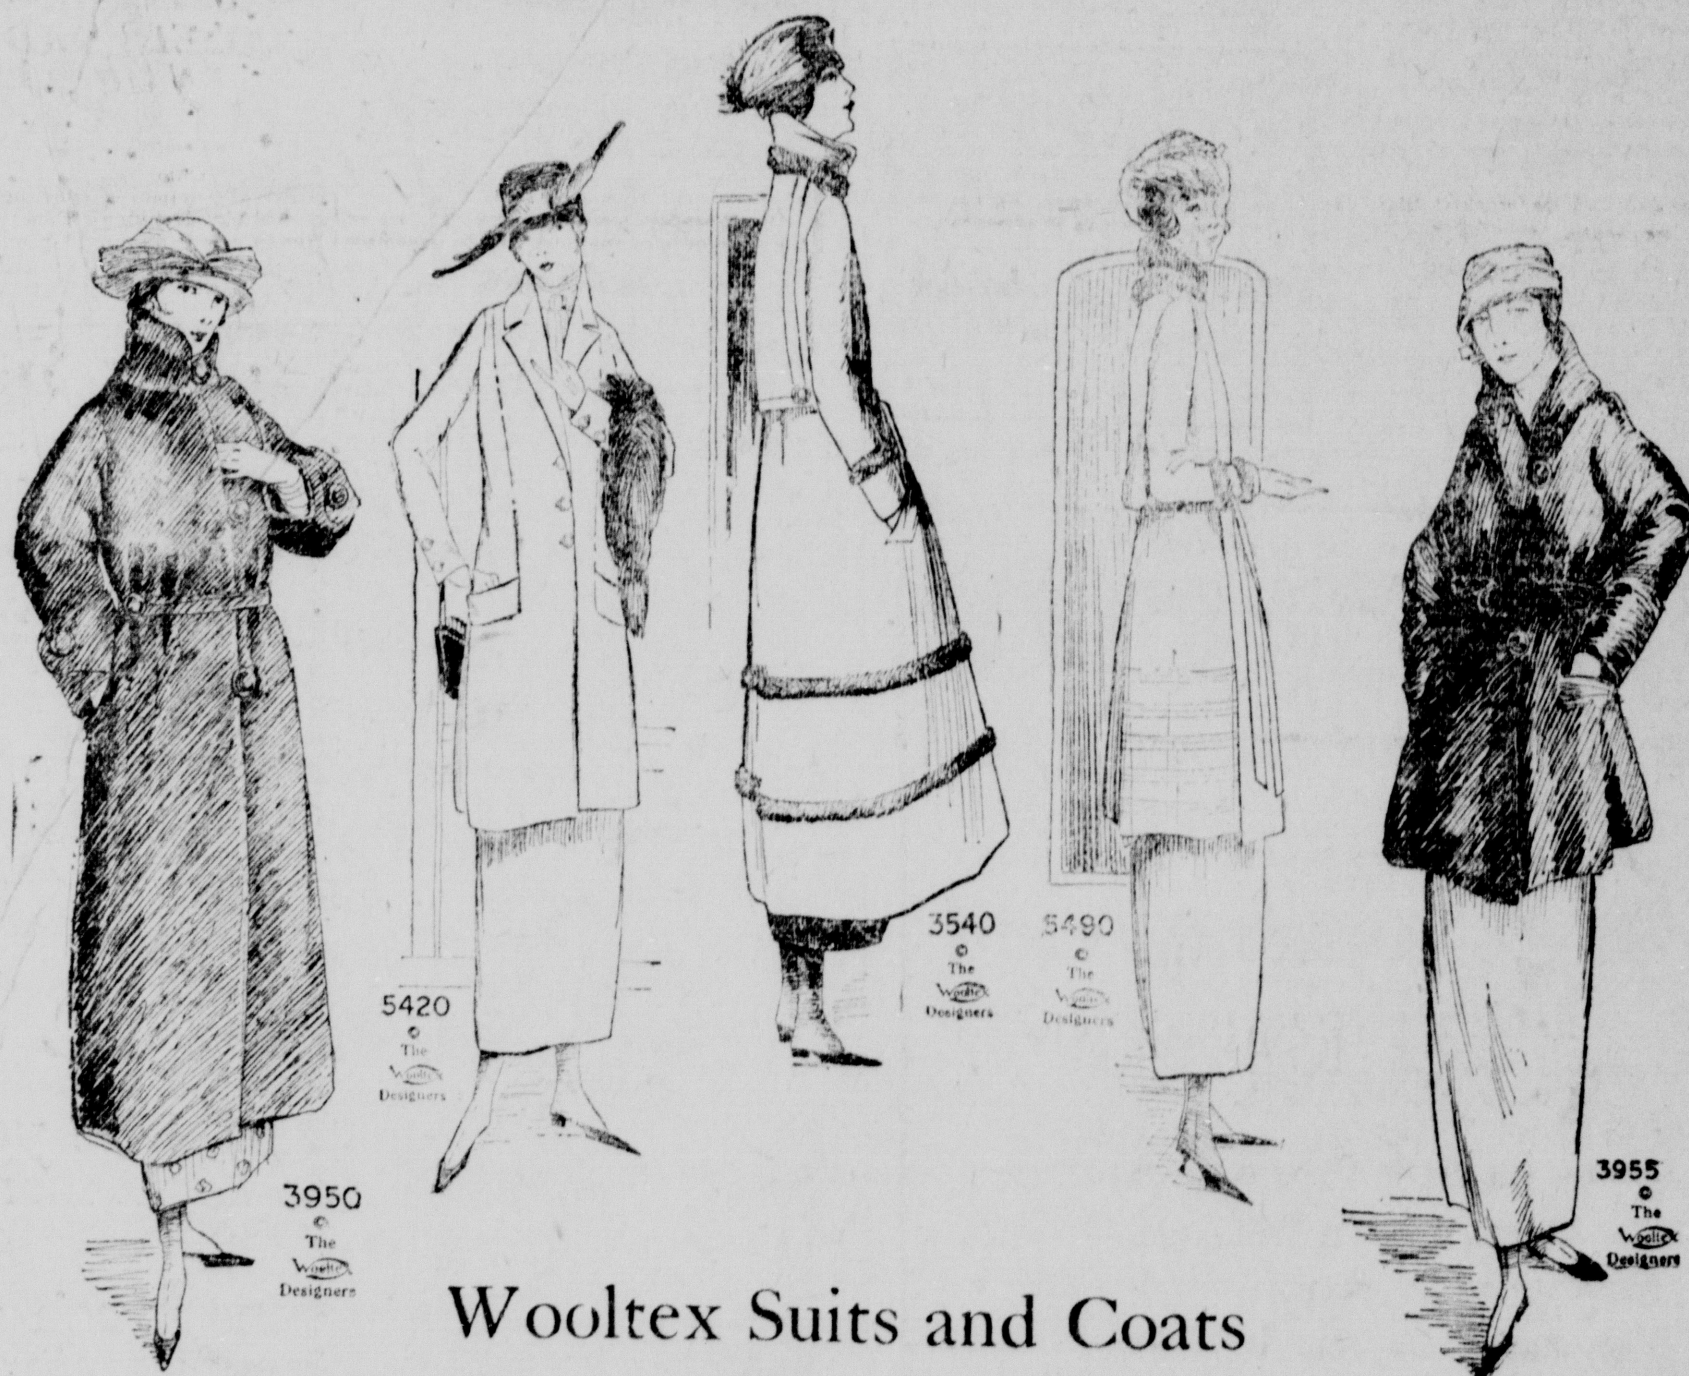

Ralston Style for Fall

is of that distinctive kind your eye finds so satisfying—snappy, graceful, new.

And with it go the surpassing foot comfort and durability our customers have learned to associate with the RALSTON name.

SANDRA THE JEALOUS

By JANE PHELPS.

SANDRA REBELS AT MISS LANE'S COMMAND.

CHAPTER CX.

I had commenced to go out again. I felt strong and well, and had never been so happy since my marriage. I had almost forgotten that there ever was a "number one," and that I was "number two." I could even pass Leola's picture without hating her, and it. Everett had commenced to go out again and was not quite so thoughtful and considerate—so I thought. But, even so, I had my boy—when Miss Lane did not interfere.

One day I was going for a walk. "Junior," as we called him, had just wakened, but had not yet been bathed. I told Hetty to get his carriage and she could go with me and push him. "We will go into the park, then I can sit down if I get tired," I told her.

"I am sorry to disappoint you, Mrs. Graham, but it will be impossible for you to take the baby," Miss Lane, who was in the room, remarked.

"Why not? It is a lovely, warm morning. It will do him good."

"I never allow any of my babies to go out until they have been bathed."

I looked at her in amazement. She had said "MY babies" too. Really, it was ridiculous! Junior was MY baby.

"As long as he is MY baby, not yours, I shall do as I think best," I replied with what I thought, dignity.

"Mr. Graham gave me sole charge. The child must be cared for as I say, or I shall not stay with him."

"Very well, but yourself as to that," I said boldly, but myself as to what the outcome would be.

As usual, I then thought—fate was against me. Everett had forgotten some important papers, and had turned back to get them himself rather than send a messenger.

I did not know he was in the house until he came into the nursery to take another look at HIS son.

"You both look very solemn. The boy isn't ill?" he said in an anxious voice as he leaned over the bed (Miss Lane wouldn't let baby have a crib).

"He is perfectly well!" I replied, and my voice trembled a little in spite of all my effort to keep it calm. "I am going for a walk, and am going to take him with me in his carriage. Hetty will go to push him." I added, as I saw a look of dissent on his face. "It is such a lovely morning, it will do him good."

"I think so, too. But why such sober faces over a walk?"

"Miss Lane has seen fit to say he can't go."

Everett turned to Miss Lane, but before she could speak my indignation got the better of my judgment and I flared:

"You would think me the nurse and her the mother, to hear her talk. It is really too amusing for an old maid to tell a mother what she shall do with her own baby!"

The words were scarcely out of my mouth before I would have given anything to take them back. Everett's face hardened into the lines I knew so well. His lips straightened.

"That will do, Sandra. I am sure you do not realize what you are saying. Because of your late illness Miss Lane will, I am sure, forgive your untidy-like outburst. Now tell me what it is

all about, Miss Lane." He turned to her as if to ignore anything coming from me.

Her face had flushed, then she had turned very pale at my speech. But her eyes, cold and hard, held a look of dislike in them. She never had been actively unpleasant even toward me—simply professional in her manner.

I saw plainly that now she would always hate me for saying what I had—before Everett.

"I told Mrs. Graham I never allowed any of my babies to go out until after they had been bathed. She saw fit to take exceptions to my saying 'my babies' and also to my custom."

I was surprised that she had repeated her exact words and thought it might make Everett understand something of how I felt. But he only turned coldly to me and said:

"Miss Lane is in charge of Junior. Whatever she says is best for him, must be done. I must go now Sandra, will you come to the door with me?"

I meekly followed.

"You will apologize to Miss Lane at once, remember, at once!" and without another word, the angry frown still on his face, he left.

(Tomorrow—Rose Writes that She is Unhappy.)

CHURCH NEWS.

AMBOY LUTHERAN CHURCH.

Special services at the Lutheran church next Sunday. It marks the birthday of the Lutheran church and special services will be conducted in commemoration of the great Reformation brought about by the great church father, Dr. M. Luther. There will be a special sermon for the occasion. Rev.

TOBACCO HABIT DANGEROUS

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and lo, the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read the large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.

very Lutheran should be found willing to celebrate the birthday of his church. In connection with the regular services the Holy Lord's Supper will be administered. All those wishing to partake of the same must announce themselves to the pastor before the regular services.

Services commence at the usual hour at 11:00 a. m. according to the standard time. Morning text is: Ps. 87, 1-3. Theme: "The Glory of the Lutheran Reformation and Church."

Sunday school at 10:00. Topic: "How Joseph's Brothers Came to Egypt for the First Time."

The Ladies' Aid assemble at the home of Mrs. L. Barlow on Thursday afternoon, Nov. 6, for its regular meeting. Rev. L. G. Krebs, Pastor.

HARMON LUTHERAN CHURCH.

Special services next Sunday afternoon in commemoration of the great

Reformation brought about by Dr. M. Luther. All Lutherans are urged to attend and again hear of the birthday and significance of their church. A special sermon for the day will be preached by the pastor on Ps. 87, 1-3. The theme being: "The Glory of the Lutheran Reformation and Church." The congregation will also partake of the Holy Lord's Supper on that day. All confirmed members are urged to partake of the same. All those wishing to partake must announce themselves to the pastor before the regular services. Services commence at 3:00 p. m. according to the standard time.

Sunday school as usual at 2:00 p. m. standard time. Topic: "How Joseph Was Sold By His Brothers for Twenty Pieces of Silver."

The Ladies' Aid meets at the home of Mrs. K. Schulte, Jr., on Wednesday afternoon, Nov. 5 at 2:30 p. m.

Rev. L. G. Krebs, Pastor.

Chest Colds, Coughs and Sore Throat Go Over Night

Begy's Mustarine is Better Than Liniments, Plasters, Poultices or Hot Water Bottles. Does the Work in Half the Time.

Remember the terrible Influenza Epidemic last year.

The demand for Begy's Mustarine was so enormous, that stocks in retail stores and wholesale warehouses disappeared with amazing speed.

Get a box now—or two boxes, you can't tell what will happen.

But just as soon as your throat gets sore or you feel that tightening in the Chest.

Rub on Begy's Mustarine, for nothing on this earth will subdue inflammation, and prevent congestion, quicker than this great and first improvement on the old fashioned Mustard plaster.

It's the quickest pain killer known, so be sure when you even suspect pleurisy, bronchitis or tonsillitis, to use it freely.

It won't blister not even the tenderest skin—it can not blister.

But it's hot stuff and contains more concentrated non-blistering heat, than any other counter-irritant in existence.

That's why it goes right after pains and aches, soreness and swellings, no matter where located and ends all the

misery and distress so quickly, that sufferers are joyfully astonished.

Use Begy's Mustarine, always in the yellow box, to ease the pain of rheumatism and gout.

Just rub it on for lame muscles, sore feet, stiff neck, cramps in leg, sprains and strains.

Get out the box promptly when you have neuritis, neuritis, lumbago, backache, headache, earache, toothache, or any ache anywhere.

Be sure its Begy's Mustarine, made of real yellow mustard and other pain-destroying ingredients. Druggists announce return of money if it doesn't do as advertised. One box equals 50 blistering plasters.

WORK ON HIGHWAY OFF UNTIL SPRING

Uncertainty of securing gravel, a condition which caused several "recesses" in the construction of the cement pavement on the Lincoln Highway between Dixon and Sterling, and the present unsettled and unfavorable weather have caused Contractor C. E. Heaps to discontinue work for this season, and the completion of the stretch of road will not be accomplished until spring. The pavement has been completed from the West Palmyra township line to a point about midway between old Central Park and Gap Grove.

Hon. John Devine and Lieut. Charles Hennessey went to Chicago yesterday, the latter leaving for his home in Atlanta.

CORN MARKET IS LOWERED TODAY

By Associated Press Leased Wire
Chicago, Oct. 28.—Cold weather expected to stimulate husking and shelling had a bearish influence today on the corn market. The effect, however, was more or less minimized by higher quotations on hogs and by sharp falling off in receipts. The chief selling was on the part of speculators. Opening prices, which ranged from a shade to 1/4c lower with December 1.27 to 1.27 1/2 and May 1.23 1/2 to 1.23 1/2, were followed by a slight rally in some cases and then by a moderate general decline.
Oats were easier with corn. After opening unchanged to 1/4c lower, including December at 71 1/2 to 71 1/2 the market sagged a little further.
Upturns in the hog market gave a lift to provisions. The highest gain was on pork.
Absence of any aggressive buying characterized the last part of the session. Prices closed unsettled, 1/4c to 1/2c net lower, with December 1.25 1/2 to 1.26 and May 1.22 1/2 to 1.23.
It was said there had been liberal export sales of lard at relatively high prices.

Chicago Livestock.

By Associated Press Leased Wire
Chicago, Oct. 28.—Hogs receipts 30,000 active, fully 25c higher; bulk 13.00@13.85; top 14.00; heavy 13.25@13.85; medium 13.15@14.00; light 13.35@14.00; light lights 13.00@13.60; heavy packing sows, smooth, 12.75@13.25; packing sows, rough 12.50@12.75; pigs 12.25@13.25.
Cattle receipts 27,000; weak. Beef steers medium and heavy weight; choice and prime 16.75@19.50; medium and good 16.75@16.50; common 8.25@10.50. DISEASES OF WOMEN AND CHILDREN

INJURED BOY IS RESTING WELL TODAY

Dwight Thompson, the little son of Dr. and Mrs. Willard Thompson, who was struck and run over by an automobile driven by Edward Burkot, rural mail carrier, while on his way home from school Monday noon, was doing very well at his parents' home today, and fears that the injury to his head may prove more serious than at first expected are being dispelled by the little fellow's activity and general condition. There is considerable swelling about the eye and the gash in the forehead is giving the patient some pain, but otherwise his condition is most encouraging.

Pershing to Inspect New War Industries

By Associated Press Leased Wire
Washington, Oct. 28.—Gen. Pershing announced today he was planning a tour of inspection of the war industries built up during his absence in France for the purpose of formulating recommendations to Secretary Baker as to what portion should be maintained against another national emergency. His trip will take him as far as the Pacific coast and while away he will visit his home in Missouri.

REDS CLAIM VICTORY.

By Associated Press Leased Wire
Paris, Oct. 28.—A wireless report from bolshevik military headquarters picked up by the station here, reports that the counter offensive against Gen. Yudenitch in the vicinity of Petrograd has been successful.

It further reports the capture of Dmitrovs, a town 57 miles southwest of Orel, from Gen. Yudenitch.

ROBBERS BEAT MAN AND WIFE

By Associated Press Leased Wire
Mattoon, Ill., Oct. 28.—Mr. and Mrs. Sternberg, wealthy residents of Mattoon, are in a serious condition today as a result of being beaten about the head with a hammer by robbers who burglarized their home last night.
Awakened by the screams of his husband, Mrs. Sternberg rushed to his aid and was severely beaten, concussion of the brain resulting. Blood hounds were placed on the trail and led officers to a boarding house where a stranger had engaged rooms yesterday.

FORMER DIXONITE DIED IN THE WEST

Friends here have received word from Mrs. Magnus, a daughter, of the death of Mrs. Specht, whose husband was a former Dixon shoe merchant here and prominent in Lutheran church circles. Mrs. Specht passed away at her home in Los Angeles on October 7th after three years' invalidism. Three daughters, Annie, Dora and Olga, of California, and a sister, Mrs. C. Hendricks, of this city survive.

Has Good Position—Miss Bess Camp

has accepted a very desirable position in the office of Fred Moore, of South Michigan avenue. Mrs. Moore will be remembered to Dixon people as Daisy Brubaker.

Mr. and Mrs. W. C. Durkes have returned from a Chicago visit.
